Module A — AI Parliamentary Assistant

8 SCREENS

This deserves a complete experience, not a single chat page.

P01 AI Assistant Home

Suggested questions · Voice input · Recent conversations · Quick prompts

P02 AI Conversation

Chat · AI thinking state · References · Area data · Sources used

P03 Recommendation Detail

“Why this road should be repaired first” —
priority score · budget estimate · residents affected

P04 AI Issue Generator

AI turns the conversation into an issue report. One click to report to community, or save as draft.

P05 Follow-up Questions

AI asks: how long has this existed? · upload a photo? · exact location?

P06 No Data State

“We don’t have enough information.” Offer: ask the community, or report manually.

P07 AI History

Previous chats · saved answers · pinned conversations

P08 Smart Suggestions

Ranked suggestions · reason · impact score · estimated cost · convert to issue

Module B — Communities

6 SCREENS

Join is the blocker — the open / private / approval decision defines every state that follows.

P09 Community Join Request

Three community types: open · private · approval required

P10 Pending Approval

Waiting state · cancel request · contact admin

P11 Joined Community

Member badge · notification settings · leave community · share

P12 Create Poll

Question · options · duration · visibility

P13 Poll Voting

Vote · preview selection · submit · results hidden until close

P14 Poll Results

Charts · participation rate · comments · share

Module C — Community Events

3 SCREENS

P15 Event Details

Agenda · organizer · location · members attending

P16 RSVP

Going · interested · can't go · invite friends

P17 Create Event

Title · description · location · date · privacy

Module D — Local Discovery

6 SCREENS

One design language across all six — a shared list pattern and a shared detail pattern, not six bespoke designs.

P18 Latest In Your Area

Full list · filters · categories

P19 News / Update Detail

Photos · comments · share · related updates

P20 Famous Places

Grid / list toggle · nearby · popular

P21 Place Detail

History · photos · map · reviews · directions

P22 Local Directory

Businesses · hospitals · schools · government

P23 Directory Detail

Information · phone · navigation · website · report a problem

Module E — Election Participation

3 SCREENS

P24 Voting Reminder

Reminder date · election type · notification settings

P25 I Will Vote

Pledge · share · change mind · cancel

P26 My Election Activities

My reminders · my pledges · past elections · upcoming elections

APPLIES TO EVERY SCREEN ABOVE

Loading, empty, error and offline states · permission prompts for notifications, contacts, camera and location · which actions require a verified voter account.
